

PLPS 38/2018

Dear LPS members,

It is with great please that we announce that during the Annual Meeting 2019, the LPS will be granting 2 Clinical Research Awards in collaboration with the AFLP and CHEST for original research in clinical Pulmonology.

- The AFLP will grant an awardee the registration and travel expenses to the SPLF Meeting 2020.
- The CHEST will accept the work of the awardee to be presented in CHEST Meeting 2019 and will grant a \$1000 towards travel expenses.

Conditions are:

- 1- At least one of the investigators must be a Lebanese Pulmonary Society member or trainee member at the time of submission of the proposal.
- 2- Physicians in training (interns, residents, fellows) are eligible to apply provided that the work is conducted under the preceptorship of a more senior or experienced investigator.
- 3- Awardees will be selected based on scientific and clinical significance of the presented work
- 4- Awards will be delivered to the first author.

Salah Zeineldine, MD
President, Lebanese Pulmonary Society
